

## Colorado Valley Quilt Guild

## Cut Above Award

The Colorado Valley Quilt Guild is invested in service to others throughout our community and beyond. Our members create beautiful quilts, enjoy learning new techniques, and thus promote the art of quilting. However, the very heart of who we are as a guild always seems to point to service. As in any organization, there are those members who always seem to give a little extra in service to our guild's efforts. The "Cut Above Award" gives recognition to a member who has given of themselves to the guild above and beyond the call of duty. Any current guild member who has not received this award in the past is eligible.

Our general membership is asked to submit the name of a guild member that you deem deserving of this award, along with your reason for why you think this member should receive this recognition. Your vote is needed. Your vote counts.

Please vote and give this sheet to Barbara Schellberg or e-mail your vote to Barbara at [bschell2000@hotmail.com](mailto:bschell2000@hotmail.com), or mail it to 464 South Madison Street, La Grange, TX 78945, or you can send a text message to 832-595-5505. Your vote should be received by **August 19, 2025**.
